ALEXANDER-WATSON

Son of former Corporation Commissioner, Here Weds Oklahoma Girl

James Strickland Watson, youngest son of former Corporation Commissioner A. P. Watson, was married at noon Thursday to Miss Leah Alexander, a daughter of Judge M. M. Alexander of Oklahoma. The Thanksgiving marriage was performed by the Reverend James K. Thompson at the First Presbyterian church.

The marriage marks the culmination of a romance that had its beginning nearly two years ago when the couple first met. Watson at that time was in Oklahoma City.

The bride was graduated from Stephens college at Columbia Mo. and numbers many Muskogee girls among her classmates. She was a member of the Phi Theta Phi sorority. Miss Alexander has been making her home in Tulsa, Okla., with her mother. Coming to Oklahoma for a visit she and Watson have decided to marry without waiting longer. They have been engaged some time.

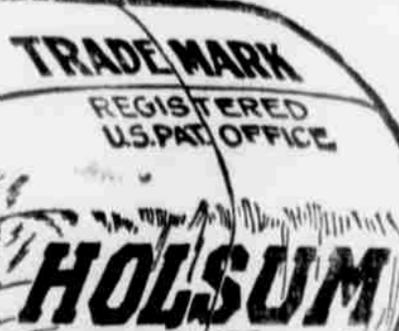

Watson was graduated from the Vanderbilt university school of law in 1909. He too, has recent Muskogee ties for relatives. In Vanderbilt he was a member of the Delta Kappa Epsilon social and Phi Delta Phi legal fraternities.

Watson is now living in Cleveland, where he is practicing law, and the couple will make their home in that town.
